YOU ARE INVITED TO A VERY SPECIAL EVENT WHICH HAS BEEN 14 YEARS IN THE MAKING!

Dear Community Friends:

In 2002 the Town of Springerville made a bold and far-reaching decision to rehabilitate the old Springerville Elementary School, which had over the years deteriorated to the point of being unused. Located on the US 60 in the heart of downtown, citizens urged town leaders to “save the school”. After 14 years of hard work, the goal has been accomplished and now we celebrate and rededicate this building, and also celebrate the grand opening of the recently completed Burk Family Local History Museum.

We invite you to a brief ceremony to commemorate this historic occasion on Saturday, April 22nd at 1:00 p.m. Tours, refreshments and entertainment will continue until 4:00 p.m. Come and see the Rembrandt drawing in the Cushman Museum, where local pianists will be playing the Steinway grand piano. Browse the hallway art display of local artists. Visit the Casa Malpais Archaeological Museum, Becker Family Collection and the Burk Family Local History Museum. View a video that depicts the beauty and history of the Towns of Springerville and Eagar.

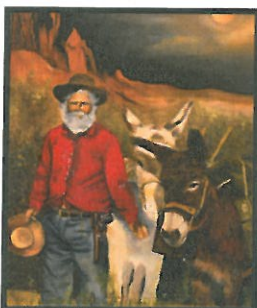

Many thanks to all those who, over the past 14 years, have contributed their time, talent, hard work, financial contributions, and creative spirit to make the day possible. It is our hope that the old school will be the historic and cultural hub of downtown Springerville. With the rehabilitation of the school, we have indeed lived up to our town motto:

“Respect For Our Past and Confidence in Our Future”

Hope you can join us in the celebration!
